ABOUT US

Nobody in WA knows fencing like WA Fenceworks.

For over 15 years we've offered the supply and installation of premium security fencing products to businesses across the state. Based in Perth, we're proudly 100% Australian owned and operated with staff who have worked in the fencing industry for almost two decades.

Our reputation has been built on a commitment to these core values:

COMMITMENT & TRUST
SAFETY & ENVIRONMENT
HONESTY & RELIABILITY
QUALITY & SERVICE

They serve as the foundation of our operation and are the reason we established such long-lasting relationships with businesses, governments and organisations throughout the state, public and private – including schools, airports, councils, and more.

We've worked with mining heavyweights and AFL teams, country clubs and retail precincts, offering the very highest standing of fencing products.

SERVICES

With an emphasis on affordability and unsurpassed quality, our product range includes:

- BOUNDARY FENCING
- SECURITY FENCING
- SECURITY BOLLARDS
- CHAIN MESH FENCING
- CIVIL & CONSTRUCTION
- WELDED MESH FENCING
- GARRISON FENCING
- PALISADE FENCING
- SAFETY RAILINGS
- COLORBOND FENCING

For applications including rural, industrial, school, park and wildlife protection, and more.

We also offer comprehensive fencing repairs and maintenance.

When it comes to your property or your investment, adequate protection is everything. Protection from criminals, the elements, hazards and wildlife. Fencing should be long-lasting, adaptable to your needs, and providing invaluable peace of mind that your assets are secure.

So, whether you're in civil construction, building, mining, or a homeowner, it pays to choose WA's best and most trusted fencing company.

WHAT WE OFFER

A team with the expertise and the equipment to go above and beyond, ensuring your job is carried out efficiently, reliably and hassle-free – every time.

If you have an unconventional project or simply need advice on options available for your specific application, WA Fenceworks is here to help.

We believe quality fencing can be affordable, and we strive to provide competitively priced services to projects all over WA.

With the latest materials and expert knowledge, we simply have the resources to offer the best fencing products in Perth. Fully accredited, adhering to stringent quality control and all the necessary Australian and New Zealand standards of work.

WA Fenceworks go above and beyond to ensure your job is carried out quickly, reliably and successfully, for a hassle-free outcome every time.

The best companies give back to the community, and we provide help wherever it's needed – from appeal donations, to charity events, and working with local businesses to accomplish great things together.

From supply to installation and maintenance, WA Fenceworks is here for all your Perth fencing needs. Contact us today for a free, no-obligation quote.
